

# FULL GOSPEL ASSEMBLIES *Outreach* Ministry

Nov  
2008

*"Go ye into all the world, and preach the gospel to every creature." Mr 16:15*

Global  
Ministry

## Greetings..

Greetings to you in the name of our Lord, Praise be to Jesus! Today we give thanks to our Lord for His guidance upon the Full Gospel Assemblies congregations and ministries worldwide.

### *..the Lord reigneth*

Truly, God our Father is our good. We have reason to give Him praise today. As we enter into the closing of the year, let us continue to remain focused on the task to reach the unreached with the gospel of Christ.

### *..here*

Throughout 2008, the span of ministry within the States remains consistent. FGA ministers and pastors are now active with nearly 150 congregations and ministries in 29 states across the country.

Since the September development of the national prayer line ministry we have witnessed a steady increase in support of the body through prayer. I encourage you to become a prayer warrior for the Fellowship today. You may do so by writing to [prayer.request@fgai.org](mailto:prayer.request@fgai.org) to submit a prayer request and / or make note that you desire to be a prayer warrior. Prayer Warriors will be notified of new prayer requests and testimonies on a weekly basis.

### *..and around the world*

Over the past year Full Gospel Assemblies has witnessed a fast paced global growth through ministry development, collaboration, and education to the more than 40 countries served.

Our mission focus continues to remain strong as we center on growing God's people through education. The latest Full Gospel training center being developed is in the Solwezi, Zambia area. Within Zambia as well as the majority of the African nations that Full Gospel Assemblies serves, the growth of the church is outpacing the training of pastors and layworkers.

The latest estimate received is that across Africa,

## 2009 African Convention To Be Held in Angola

Chairman Simeon Strauser with Pastor Edward Popovich & African Leadership  
October 2007

20,000 commit their lives to Christ each day. A mighty awakening is being seen throughout the continent! The vision set forth for Full Gospel Assemblies is to develop a minimum of two pastoral training centers within all countries that we serve.

Challenges do exist! Even as we look to structure the first African convention for Angola, we find that communications are slow going. Prayer for God to open the doors of opportunity according to His will is requested.

As with David, let our song of thanksgiving always be unto God..... O LORD my God, I will give thanks unto thee forever. Psalm 30:12

May the grace and peace of our Lord Jesus Christ shine through you today.

Pastor Simeon Strauser

### Full Gospel Building Team To Build Church

Following the 2007 District convention for the FGA affiliate Philippine Bethel congregations of the Quirino Province, Pastor Ramon & Juliet Badong provided a visit to the Sto Nino village for Pastor Simeon Strauser, Pastor Raymond Favichia and team. It was then that the Lord laid upon our heart the plight of this congregation. This mission has become the central focus of the Full Gospel – Philippine efforts for 2008-2009.

Under the pastoral leadership of the Badongs, this church has come from its birth in January 2000 to present, meeting in the lean-to structure adjacent to the Badong family residence. The vision for this faithful congregation of 50+ men, women and children is to reach the unchurched with the gospel. Regular ministry to this remote village includes Sunday services, women and teen groups, DVBS, men's ministry and village health services. Full Gospel Assembly of Parkesburg and Heaven's Gate Christian Fellowship have come together in organizing a team of 4 to lead the initial construction efforts the first week of March 2009. Bill, Joe, Alan and Don will travel to Madella, where they will link with local volunteers of Philippine Bethel and the community of Sto Nino.

**We invite all congregations**, youth groups, pastors and ministers to partner together with this 2008-2009 mission outreach project! All budget funds raised are needed for cement block, tin roofing, electrical, concrete, and general building supplies. Pray for your brothers and sisters of the Philippines today.

## Calvary's Love Fellowship Acquires New Church Facilities

The Lord has blessed the Calvary's Love Church of Springfield, MS with new worship facilities. Juan Feliciano, pastor of the 12 yr. old CLC congregation states "The new location has inspired in many ways. We see a greater awareness and involvement in evangelism". The desire was to remain in the city of Springfield, and with the move from rented space, CLC has gained classroom and office space to facilitate the growth of the ministry for years to come.

The ministries of Children, Youth and Adult Education, Evangelism, Community Feeding, Outreach, and Worship are very much the center focus of taking the Gospel to the community. You are invited to Calvary's Love Church, 19 Oakland ST, Springfield, MA 01108. Worship services are held each Sunday at 11:00AM.
