From the Chairman's Office

Greetings to you in the name of our risen savior,
Jesus Christ,

..Resurrection Celebrations

...I have seen the Lord! I have seen the Lord!!
Can you imagine the enthusiasam of Mary as she approached the disciples that wonderful day? Let us rejoice in our risen Lord today. May you be blessed as you carry forth the gospel of Christ, standing on the assurance of his word, "*as my Father hath sent me, even so send I you*". As you reach out to others, do so with the spirit of enthusiasm, preaching and teaching the promises of our risen Lord and savior, Jesus Christ.

May the love of our Lord shine through you this Easter season.

**March 09
Church Building Project
Madella, Quirino Province, Philippines**

Joe, Bill, Alan and Don of Heaven's Gate Fellowship (FL) and Full Gospel Assembly of Parkesburg (PA) have returned safely from the Philippine March building mission. There, they joined many local laborers and pastors and support for the two week journey to the village of Sto. Nino. The foundation had been completed prior to their arrival and during their stay, the walls and columns were put into place. The completion of truss and roofing work, as well as the floor, doors and windows is now in the process of completion by the local builders and parishioners of the Sto. Nino Philippine Bethel Church under the leadership of Pastora Juliet and Ramon Badong.

Pastora Juliet recently wrote, 'I really thank God for what He is doing here in Sto. Nino to the ministry. We are doing our very best. Because of our faith in God, He will not forsake us as we do His will.'

The total projected building budget of \$13,000 was met. It is estimated that an additional \$2000.00 will be needed for total completion. Donations may be earmarked Philippine building project.
