FGA Sends Support To Haiti Mission

**Pastor William Spriggs with the children
of LaCroix Haiti New Testament Mission**

LaCroix Haiti New Testament Mission, is serving the people of Haiti with the love of God through education, medical assistance, and the Word. New Testament Mission consists of 7 churches and 7 schools with over 3,000 students, from pre-school through grade twelve.

Haitian families affected by the January earthquake are now returning to the countryside from the Port-au-Prince area. New Testament Mission is working to assist children and families in resettlement to the LaCroix area, 80 miles north of Port-au-Prince.

Pastor William Spriggs of Harvest Fellowship, Washington, PA has been serving as a missionary to Haiti over the past four years. In fact, he conducted a week long revival crusade in the town of Paul, Haiti a short time before the earthquake. With his most recent, March mission to Haiti, Pastor Spriggs carried in the \$3100.00 of donations received from FGA congregations during our most recent fundraising efforts for the people there. These funds will be dedicated to the purchase of food for needy families.

Let us keep this birthing ministry in our prayers.

From the Chairman's Office

Lord we praise thee for you are our Savior

Today I am reminded of our blessed Lord and Savior, Christ Jesus as he entered the city of Jerusalem that day not so long ago. If we can only imagine for a moment, the multitudes that were about him, (Mk. 11) crying out 'hosanna, hosanna, blessed is he that cometh in the name of the Lord'. We see here both an exclamation of praise and a crying out Lord...save us....we pray.

In this hour before the Lord, I encourage you to be ever mindful that it is he, Christ Jesus, who became the resurrection and life for you and I today. He is your Savior, He is your strength! Our praise belongs to Him.

Shepherd's Gate Ministry Reaches out to Thailand and Vietnam

Miracles In The Midst Of Hardships In Asia

Shepherd's Gate Ministry, led by Missionary Terry Blake of Weirton, WV offers outreach into Thailand and Vietnam, working with local missionaries and pastors.

In Thailand, SGM's recent mission work included the purchase a truck for leadership who work with the people of M-W village, a Burmese refugee camp. Though Sister Belle, the local missionary, receives very little support, her heart rejoices for the opportunity to minister to the children at the school in M-W and the families in the surrounding villages. In Chiang Mai, Pastor Mark distributes Bibles for the minority people in Thailand and surrounding nations. Over the past year, SGM was able to raise \$800.00 to assist with Bibles and to help families of the Karen People fleeing oppression in Burma. They are settling in the refugee camps along the Thai-Burmese border. With the threat of being forced back to Burma, these families face death and even their children being used as human shields and mine sweepers. Brother Mark asked for prayers and praise God a miracle was provided which allowed Brother Mark to meet with UN representatives who secured the safety of the Karen people. Please pray for the Karen people – a people literally without a home – and pray for SGM for wisdom and provision to assist the Karen people.

In the northern part of Vietnam a church in the C-V village has reported extensive government persecution to the point that the church was forced to begin meeting in the jungle. SGM sought to assist the church with whatever they needed and the church simply asked for prayer. But after much prayer and endurance, a miracle happened – the government offered to build a new building for the church! This unheard of in Vietnam! Glory to God!

Reverend Terry Blake, founder of SGM, recently concluded a mission to both Thailand and Vietnam. Please keep Reverend Blake, the local pastors and congregations in your prayers. Let us also keep before the Lord, the ministry of Shepherd's Gate Ministry and future mission outreach to these countries. There are a people in need of the love of Christ.
