February 2011 a bi-monthly report of Gods working in the Philippines and beyond

Alliance partners helping each other out often times means putting food on the table and bringing a smile to the faces of the children and youth.

This was the case with the recent connection between Full Gospel Assemblies (FGA) USA and the congregation of Laguna, Manila being pioneered by Missionary Melit. As the New Year approached, FGA under the direction of Bishop Simeon Strauser, blessed this young congregation of believers with a special New Years celebration gift. The children all received a 'gift' while the entire congregation was blessed with a meal to help kick off their New Year.

Pastora Melit recently wrote... *Hello Bishop, how are you? hope and pray you're always in good health. Here's our pictures, and as you can see they are thankful and happy for the gift they received, though its so simple but to them it means a lot. thank you for making our New year fellowship successful, thank you again for the love gift and they want to thank you also. God bless your heart, praying for you and your ministry. Shalom, Melit*

May the Lord continue to bless the partnership efforts of the Alliance of Full Gospel Pentecostal Churches of the Philippines as we encourage each other in the sharing of the love and gospel of Christ Jesus!

The Lord is very good to us in giving to us lots of open doors for the ALLIANCE OF FULL GOSPEL CHURCHES. We were able to contact 15 church Pastors there for the space of two full weeks.

a Muslim couple that we minister and the husband was healed of a severe stomach problem. God healed the husband that the wife said could I join your group? Truly the Lord heals the un believers by His mercy and He God heals the believers by His covenant

Pentecostal Blessings:

The birthing of the New Testament church was on the Jewish feast of Pentecost. It was the outpouring of the Holy Spirit upon all believers who have accepted Christ Jesus as Lord. This outpouring, and its reactions have not changed. We are experiencing a wonderful move of the Holy Spirit. The Lord is still moving mightily with signs, and wonders. To God be all the glory! We now see a new, and refreshing inflow of new souls into the church as we strongly confess that we are unapologetically Pentecostal. The spirit of this world has been trying, and with some success to steal our foundation which is the Pentecostal experience. However, we stand strong for Jesus in the same yesterday, today and forever.

Glory to God in the highest!

What a powerful God we serve. I brought the PENTECOSTAL HERITAGE Team down to Pangasinan last Sunday and ministered to one of our Church under Ptra Lourdes and her husband. This was the first tour we had this 2011 with all of our 12 number of students in Extol. It was amazing! signs & wonders followed. We have 2 services the whole day. in our morning service, the Holy Spirit moved and empowered the church. Some received the baptism in the Holy Spirit & spoke in other tongues. One thing that really increased our faith was when we ministered to a family whose father was possessed by demons. The pastor was preparing for our lunch when suddenly a sister came trembling and asked us to go to their house to cast out demons from their father. I took the team with me with the power of the Holy Spirit in us. after 30 minutes of battle, the demons left. That man was freed and the family were crying of joy.

We had a service in the afternoon encouraging the church leadership to reach their city.

I believe this is the decade where cities are reach by the power of the Holy Spirit. It was 4pm when we left the church. As we are coming up to Baguio, I sensed the presence of God inside the car and so, I started leading the hymn "The Comforter has come". All of the sudden the Holy Spirit hit all us and we started to pray in tongues, others were laughing in the Spirit with our driver praying with us with an open eyes while driving. We arrived in La Trinidad filled with Joy in the Holy Spirit. The Team almost don't want to part ways because of the presence of God. We are experiencing the Power of God on the Day of Pentecost. On the last Sunday of this month we will again go down to La Union to minister in one of our church there. Pray with us so this call will reach as many as God wanted to show His power. Thank you very much.
