Global
Ministry

From the Chairman's Office

Oh Lord...you are our rock and fortress

Throughout the ministry of the Fellowship, we are seeing a new and exciting work of the Lord amongst His people.

The Philippine Islands were the focus of Mission Outreach over the months of April and May. I am happy to report that the St. Nino Philippine Bethel Church is now near completion with the final work to the entrance, restrooms, electric and painting needed. The church dedication was a complete success with about 100 persons in attendance from throughout the village area and nearby towns. This congregation is touching many families throughout their community. Your prayers for Pastor Juliet and Rueben Badong are so very appreciated. They are wonderful shepherds to the flock!

The Cagayan De Oro city crusade and pastoral summit was well attended with some 23 Pastors representing area ministries. Eighteen new church ministries joined as partners of the Philippine Alliance of Full Gospel Churches! To God be the glory. This growing ministry alliance, sponsored by FGA, is seeing cooperative ministry forming between partners from the South to the North of the country. We are believing for a mighty outpouring of the power of God in the months ahead.

This month, we have the wonderful opportunity to be with Pastors Kevin and Kim Donahue & the Ranch of Hope Community Church of Williamstown, NY for their church dedication and opening. We will then have the honor of ministering with Pastor Pat Atwell and the Barkersville, NY Christian Church. These are two very special occasions and we are looking forward to being with the people of God of NY in representation of the Church Fellowship.

Let us keep the ministries of Full Gospel around the world before the throne of God as we lift one another up in prayer. May the strength and mercies of God be yours today.

Full Gospel Assemblies Sponsors Distribution of Nearly 2,000 Lbs. of Rice in Haiti!

As a follow-up visit to his 2010 Haiti earthquake relief mission, Pastor William Spriggs of Washington, PA revisited Haiti again in early 2011 to lead a Gospel Crusade and distribution of food supplies to the needy. FGA provided \$1,000 to sponsor this mission outreach to Haiti. Pastor Spriggs also reports that 40 people received the Lord Jesus as their personal Savior during the crusade and that about 70 families each received 25lbs of rice. *This is your missions at work.* May the Lord bless Pastor Spriggs in his ministry to the physical and spiritual needs within Haiti.

Giving Thanks Unto God

Go Time Ministries under the direction of Pastor Brent Furlong of Finleyville, PA has led four mission teams, proclaiming the gospel of Jesus Christ into foreign countries over the past 15 months. These countries included Russia, Haiti, Dominican Republic, and Israel. Let us keep Pastor Furlong in prayer as He continues to share the gospel of Jesus Christ in the lands that are opened before him.

Pastors Gerald and Katherine Smith, educators with the Parkesburg, PA Full Gospel Bible Institute study center have recently returned from Nicaragua. Traveling with a U.S. team, they assisted in teaching, evangelizing, pastoral training, couples counseling, and distribution of clothing, medicines, and school supplies. Upon return, the Smith's testified, God is so faithful when we step out and trust him!

Pastor Nnaocha of Nigeria writes, "My village is predominantly Catholic/Anglican and stand against Pentecostal ministry and will do anything to discourage our efforts. But God is using the power of Pentecost to lead the people who are looking for deliverance into our church." We give God all the glory!

Christ's Chapel Full Gospel Assembly, flagship congregation of Full Gospel Assemblies, began its Day of Pentecost outreach with the commissioning of a team of goodwill ambassadors into **McDowell County, West Virginia**. Serving in this initial outreach were Bill Rogers and Owen James. With a van loaded with household items donated by church members for families in need, Bill and Owen made the journey into WV where they linked with School of Life ministries. The focus of this *Pentecost outreach* was to share the love of Christ Jesus and offer a caring hand of helps including household repairs and general assistance.

Their Works Do Follow Them
