

# **THE BRIDE OF CHRIST MINISTRY/ CHURCH NEWS**

BY: PASTOR J. MAPIRA

MONTH: OCTOBER, 2011

## **PRAISE ITEMS**

1. On 8<sup>th</sup> October, 2011 was our great day when we commissioned five graduates from Missionary Training Collage. Our job of reaching every home with the gospel of our Lord Jesus Christ is expanding as we are receiving more workers into the field. Celebrate with us as you look at the photos. God is doing something in this Ministry.

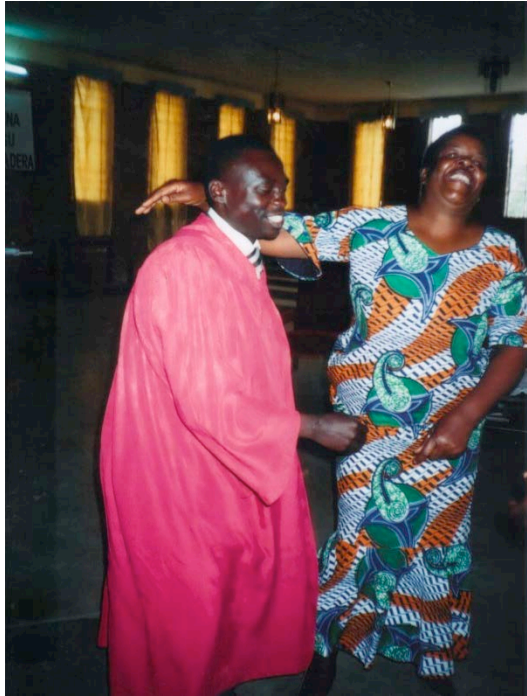

2. This month we have reached many homes in Khombwe and Chilingani with tract distribution campaign. Our co-worker Mr. Duwe who is a teacher at Blantyre Institute of Management took the initiative to reach these two areas with 2, 246 Chichewa tracts. People responded favorably for they received the messages with no resistance. This is good news to us and we are being encouraged to do more distributions.
3. A Church has been planted in Manduwa village T/A Chigaru in Blantyre as result of our gospel Campaigns in that area. The result of our door to door gospel Campaigns in that area.

4. In Chiradzulo District 16 people have been saved using our evange cube through Pastor Subiri who is our co-worker in that area. This seems to be a powerful tool for evangelism. We need more Evange cubes, the heart of man charts and other tools that may assist us in the work of evangelism. We praise God for the evange cubes, the heart of man chart we bought, and some few books we have in our library as tools for evangelism.
