Timothy

From Pennsylvania, to New York, to Illinois to Maryland and throughout the States and abroad, the FGA ministers, pastors, and congregations are taking hold of the Raising Timothy's ministry!

Pastor Timothy Lindsay, with the Highland Brethren Church, Prosperity, PA reports that a discipleship program has recently been begun under his leadership.....*raising Timothy's!!*

You may be as Pastor Lindsay! You may be as the many others who realize the call, the need and the challenges as well, in Raising Timothy's to all aspects of the work of the Lord. To encourage and to facilitate an ongoing dialog and Fellowship wide coordination with all ministers and pastors for the Raising Timothy's ministry, Pastor Juan Feliciano has been commissioned. Pastor Juan serves as pastor with the Calvary's Love Fellowship, Springfield, MA and serves as a Regional Minister for the FGA NE Region 2. May you be inspired today by the word of the Lord upon your ministry as you seek His direction in Raising Timothy's in such a time as this.....

from Pastor Juan Feliciano to you

In Deuteronomy 34, God's word speaks to us about the death of Moses. It is in this very chapter we are made aware that Moses' leadership abilities and all the feats he had accomplished for the Lord were unparalleled in the Old Testament. Even at the ripe old age of 120 Moses was still at his prime, his vigor was unabated and his eyes were undimmed. However, it was time to move forward with new leadership. When God shows Moses the land that He would give to his offspring (Israel), one cannot help but feel that there is a sense of accomplishment and assurance that emanates from him. He is about to be taken from this lifetime to be in the presence of God forever and has absolutely no worries about what will happen afterwards. I am persuaded to believe that Moses was quite sure of the work he had done in preparing the next generation of leadership and that the reward that lied ahead had no comparison to anything we can acquire on earth. You as well as I do, understand that we have a destiny with eternity and that currently God has a plan and purpose for us to build up others for His kingdom (Mark 16:15, 16). Moses had prepared the leadership that would continue the work of the Lord with his impartation in Joshua and others. It is for this reason that Moses knows he can leave this lifetime in peace. The work was finished. Dear brother/sister, you need to know that if you are alive and breathing this very moment, God has a plan and purpose for your life. In fact, the older and more mature you are in the Lord is indicative of your preparedness to minister to the next generation. This generation needs *you*! Yogi Berra's famous quote "It ain't over til it's over" may not be scriptural but it sure is truth when applied to God's thinking about you. God's not done with you yet! The pain and hardship you have endured was only a process of character building. He has been conditioning your spirit for a work at a time such as this. When you thought you are finished, God has been saying all along, "This is where I begin". When you thought the light was growing dim, God has been saying, "This is when I shine". Let us move forward in the year 2014 with God's plan to build up the next generation. They are waiting for you!
