Following the great Typhoon that hit the Philippines Nov. 8th, Christ's Chapel FGA, Parkesburg, PA, lead congregation of Full Gospel Assemblies developed a clothing needs drive for the people of Capiz and Taysan. As of February 15<sup>th</sup>, boxes shipped in December have reached Taysan, while additional boxes are expected to reach Capiz in March.

### *Philippine Regional Coordinator Dies In Accident While On Mission*

Since March of 2013, Pastor Vincent was leading the efforts for Full Gospel Assemblies in the development of the Alliance of Full Gospel Churches and Ministries, there in the southern Manila region. Pastor Vincent died Sunday morning 12/29, *as he was returning from a mission trip to the Typhoon stricken area.* He was in representation of the Alliance as well as the Calamba Ministerial Fellowship and traveling with 5 other pastors from the Fellowship. All 5 of the pastors which were traveling together lost their lives in the auto accident.

Pastor Vincent's life and ministry has been a dedicated blessing to so many of the children of God, as he brought forth the saving message of the Gospel of our Lord Jesus.

Your prayers are requested for the Clarito family, Alliance of Full Gospel Churches Manila Region, the Calamba Ministerial Fellowship, and the Hope of Glory congregation.

### *Your Donations Have Made a Difference Over \$4000.00 Raised For Typhoon Relief*

Funds in the amount of \$4250.05 have been received to the FGA Philippine Missions Fund for Typhoon relief. To date approx. 32% (\$1332.00) has been distributed directly in support of efforts to Capiz & Tacloban through the Alliance of Full Gospel Churches – Philippines, regional leadership. Pastor Allan DeOcampo of Capiz recently wrote of the Dec. allocation,...."We distributed the money according to our urgent needs to a few families and for the pastoral house itself. We are using the pastoral house as our gathering place for now. We rejoice in the Lord for He is good!"

### *Alliance Congregations To Offer Rebuilding Assistance Going Forward*

In light of the tragic accident on 12/29 in which Pastor Vincent Clarito, Manila Region Coordinator died, Capiz efforts stalled. Now as the Alliance pastors restart the Capiz efforts for rebuilding assistance, Full Gospel Assemblies stands prepared to assist. *Your continued earmarked donations for Typhoon rebuilding efforts are greatly appreciated.*
