## FG Missionary Patti Petron Prepares For Extended Ministry To Rwanda

Missionary Patti Petrone of Lexington, KY along with her ministry companion Jaime Rhodes are preparing for an 18-24 month mission to the country of Rwanda, commencing in September.

Patti writes, "Jaime and I are mostly known for our passion for Jesus Christ and how we need HIM every day, as we continue learning to live a laid down sacrificed life unto Him. We're two from Kentucky who have a desire to serve God wherever He may send us. We both started out Missionaries to Africa over the last 4 to 5 years - God put a burden in our hearts for the women and children of Kanombe, Rwanda. A few years ago, God began to show us the need for a transitioning home to women coming out of hopelessness and prostitution in the area. You see, they are perceived as nothing and left without any hope."

The ministry there in Rwanda is the first refuge and transitioning home in the community for women and is known as Life Center Ministries. It's where many women and young adults come to heal. It's where they learn to build trust, gain life skills, and get the life changing knowledge of how much Jesus loves them.

Missionary Petrone goes on to explain, "We are an Outreach Ministry - With provision for: Shelter, Food, Clothing, Healing, Bible Study, Life Groups, Job Training, Health and Hygiene Education, and Biblical Guidance and direction in counseling. These beautiful women and young adults (that we serve) receive an unshakeable foundation built on Christ! More information may be found at <http://pattip25.wix.com/lifecenterministries>. Earmarked mission donations to Rwanda may be forwarded to FGA, Dept of Missions. You may join together today with others in assistance to this mission over the upcoming year of 2015.

### NSANJE GOSPEL TRIP PRAISE REPORT

With profound gratitude we thank you for enabling us to make this trip. Through the unmerited love of God you have for us, you financially supported us; you prayed for us; through your emails you passionately encourage us to move forward with the ministry. We praise God for you.

On 17<sup>th</sup> May 2014 we visited Nsanje district. Our trip was a very successful one; we harvested 18 souls for the Kingdom we prayed for the sick and (prayed for deliverance of) those that were possessed with demons.

Your Son in the Lord, Pastor T J Mapira

And as ye go, preach, saying, The kingdom of heaven is at hand. Heal the sick, cleanse the lepers, raise the dead, cast out devils: freely ye have received, freely give. Mt. 10:7-8
