

**Kenyan Pastor Gives Thanks
For FG Biblical Training Scholarship**

Praise the Lord Pastor,

I greet you in the wonderful name of our savior Jesus Christ, God is good and I am a witness and all the time I am becoming better,

Imagine, last week we were in the process of seeking for the marriage license, and we were ordered by the authority to provide to them all the documents of the Church registration, certificate and most of all, my certificate of Bible school and without this could be terrible to me,

Thank you very much Pastor Simeon (& FGA) for the scholarship, if it was not you, for your great love and kindness, I don't know what I could have done. Every thing happens with a purpose. May God's blessings be with you and His mercy accompany you wherever you will go. We love you our beloved Pastor. Pass our great love to all and one day God will let us meet face to face. Let's pray for each other. Jeremiah 29:11. God knows the plans for you plans for prosperity to do you good but not to harm you.

Be abundantly blessed. Yours in the Lord,

Pastor Francis Ngugi
Mispa Miracle Ministry

Praise God for this testimony of gratitude. Pastor Francis is a July 2014 graduate of the Full Gospel Bible Institute training program for Ministers and Pastors worldwide. FG Missions at work!
