September Philippine Mission Builds Up The People Of God

Going into the depths of need, Pastora Marissa Strauser led the FG September mission into the Capiz, Laguna, and Taysan areas. Touching three islands, Pastora Marissa was joined by missionaries Cynthia Smith of Shiloh, Washington, PA and Carol Strauser of Christ's Chapel, Parkesburg, PA along with Pastor Benny and his wife Sylvia of Cabuyao, Philippines. Beginning at Roxas City in Capiz, the team met Pastor Allen & Joan de Ocampo of Hope of Glory Bible Gospel Church, hosts for the ministers & Christian workers meetings. The HG Bible Gospel Church had been devastated in the typhoon of 2013. Since that time, through the

in the work of the Lord. The expression among the attendees was **'even though we are the least among the least & yet so small, you gave us your time and encouragement'**. There in Roxas City, the need is truly great. Poverty abounds, however there is a pure hunger for the touch of God. On the final day of ministry for the week, Pastora Marissa gave forth the Word in celebration of the 6th anniversary of the HG Bible Church, challenging the people of God to continue on in the journey despite the difficulties that are often faced.

From Roxas City the team progressed to Calamba where they held the 'Edification For Women' conference, touching women of more than 15 congregations.

Cynthia Smith, the Holy Spirit began to move. the women were ministered to in healing, ministry.

The final leg of the mission took the team into the area of Taysan. There, the Taysan FG church, a mission congregation of Full Gospel Assemblies since 2011, is growing as the ministry continues to spread throughout this remote area. There the team began to give the message of the Gospel with an evangelistic crusade presented at the San Isidro High School. By the grace of God...Gospel bracelets were given to the youth and utilized as the tool for the giving of the salvation message where it was witnessed that nearly all of the 200+ in attendance committed their lives to the Lord! To God be the glory. Even as a typhoon storm hit the area, the ministry to Taysan included house to house visitations, youth and children teaching & feeding ministries, and adult family ministry with worship and prayer.
