The Lord God Is Doing A New Thing In 2015

Behold, I will do a new thing; now it shall spring forth; shall ye not know it? I will even make a way in the wilderness, and rivers in the desert. Isaiah 43:19

Full Gospel Assemblies looks to the year ahead and beyond

Education – Full Gospel Assemblies will birth a new School of Theology, to provide academic excellence in ministry degree programs for the training of pastors, ministers, evangelists and missionaries. The need for solidly educated men and women for the ministry of the Church is evidenced by the darkness of the world. As the hand of God is sought, Full Gospel Assemblies is working toward the acquisition of a new campus for the expansion and further development of the Fellowship's ministry of education begun over 50 years ago.

- Pray for and look for the unveiling of the new School of Theology
- Pray for the provisions of the Lord in the capital program beginning in 2015

National Outreach – Full Gospel Assemblies is dedicated to the raising up of new ministry and leadership within each congregation and outreach of the Church Fellowship. As we seek the power of God upon every work, let us put our hand to the plow, believing for the witness of the mighty works of God. Continued development is underway in the areas of ministry:

- Growing Timothy's
- Partnering of Congregations
- Birthing Ministry Support
- Regional Leadership Summits
- Regional Rally Activities
- Central & Regional Office Coordination
- Home Church, Community Ministry, & Church Ministry Support

World Missions – Full Gospel Assemblies is committed to the expansion of it's reach throughout the world. Education of pastors and ministers within foreign lands has been the first priority in outreach for more than 50 years. The continued development for the ministry of the church will touch into the many needs of that which are faced throughout the world. Pray for the following areas of ministry for 2015 in the countries of the world that Full Gospel Assemblies touches.

- Marketplace Ministries
- Congregational Development
- Leadership Summits and Conferences
- Missionary Support & Coordination
- Philippine Orphanage Ministry
- Education of Pastors

– Let our expectation be of the Lord –
He will do a new thing; He will make a way; it shall spring forth!
