The work of the Lord for 50+ years

taking on an expanded call of God

The ministry training arm of Full Gospel Assemblies – Maranatha Full Gospel Bible Institute – is now Phrear School of Theology, effective September 19, 2016. Founded in 1962 by Dr. Charles & Dr. AnnaMae Strauser, Maranatha FGBI has offered its certificate and diploma programs for some 54 years, with students and alumni representing over 85 countries worldwide.

Phrear School of Theology, now based in Los Angeles County, CA will initially be offering the A.A. in Biblical Studies, A.A. in World Evangelism and B.A. in Bible and Theology programs. As PST, the school will continue on its mission of equipping the body by making quality Biblical education available to the laity, ministers, evangelists, missionaries and pastors – grooming and preparing for their full calling to the ministry of Christ Jesus. PST will offer courses in the distance learning format and work together with FGA congregations and ministries to offer class room studies in study centers throughout the country and abroad. PST is busy developing its online format to offer distribution and class participation for a wider access and availability to its world-wide student body.

Mission sponsored students from around the world are being welcomed to the International Maranatha Institute, the missions school of Full Gospel Assemblies within Phrear, offering diploma programs of study for ministry training.

Applications for admission are now being accepted for new students and former FGBI students and graduates.
