FG Team Goes To Mexico

We give glory to God for the recent FG Assemblies mission into Mexico. Developments here in 2017 are the result of a number of years of ministry planting into Monterrey, Mexico and the surrounding areas led by Pastors Reginald and Narcedalia Licht (FG West - Spanish Regional Representatives).

Being hosted by the FG Monterrey City congregation, *Divina Gracia*, the advance ministry team from Bluffview Center of Hope (WI), led by the Licht's, held evangelistic services, personal ministry and house meetings beginning early June. Chairman Simeon Strauser then joined the FG team from June 20 - 23, presiding over the ordinations of Pastors Luis Campos, Irma Diaz and Narcedalia Licht, and the dedication

service of the *Divina Gracia* church as a FG congregation. Chairman Strauser also met with leadership and representatives from area churches introducing the work of FG Assemblies, opening dialog for further growth of FG throughout Mexico, and for the establishment of a FG representation office in Monterrey. We give glory to God for the mighty works He has done! You may see more photos from this missions trip on the FG website: www.fgai.org.

PA West / Pittsburgh Area Clergy Hold Regional Rally

The pastors and clergy of PA Region 1 West / Pittsburgh gathered last June 10 for the first Regional Area Minister's (RAM) Rally held at [New Life Fellowship of Pittsburgh](#) in E. McKeesport, PA. Pastor James Capets, Regional Pastor for PA Region 1 West reports:

The rally began with a time of singing, praise and worship, led by Lindsay Zummo, worship leader at New Life Fellowship. A video message was presented by Chairman Simeon Strauser outlining some of the outward direction and goals of Full Gospel Assemblies. The remainder of the day's messages from Pastor Ed Popovich prior to lunch, and Pastor Jim Capets after lunch, focused inward to encourage and revitalize the ministers as they seek to fulfill their callings. Minister Cindy Smith shared some of her experiences from her recent missions trip to the Phillipines; her passion for what God is doing there was evident. Attendees were also given the opportunity to share about their ministries, with particular attention given to the challenges they are currently facing... The day ended with a time of prayer and prophetic ministry to all....

Plans are underway to hold another RAM rally (PA Region 1 West / Pittsburgh) in 6 months time. Details to follow. We praise God for what He is doing in the Western PA Region of FG and thank Him for the faithful labor of Pastor Jim Capets and Dr. Roy Tryon in their leadership! The opening message by Chariman Simeon Strauser is available for viewing on www.fgai.org. The messages presented by Pastor Ed Popovich and Pastor Jim Capets are also going to be available for viewing through the New Life Fellowship of Pittsburgh's YouTube Channel, link to be found at www.newlifepit.org.

Thailand Missions Praise Report

We rejoice with Minister Terry Blake and his team as they report of God's work in the lives of people in Thailand. The team's labor of five years of going into Mowah Kee village, has given fruit in Bro. Padiwa, the first person to respond to the message. He was baptized in the nearby river amidst Thailand's dry season. "Mowah Kee is one of five hundred Karen villages without a church..." Minister Blake writes, "Padiwa was the first person I have ever seen baptized in approximately eighteen inches of water." In addition, one of the young women in the House of Grace, a ministry towards young Karen girls, is scheduled to graduate from Bible school this year. The ministry reaches not only the indigenous people groups, but Christian brethren from nearby Pakistan and Sri Lanka who have fled into Thailand amidst religious persecution.

Let us pray for God's strength, protection and provision for our brethren who are facing persecution in Southeast Asia, the Middle East and around the world. Let us continue to pray for Minister Terry Blake and the team of missionaries who are laboring in the field of Thailand.
