## GET INVOLVED

WITH YOUR SPONSORSHIP -  
YOU RECEIVE:

- ☐ a photo and profile of your child
- ☐ correspondence from your child
- ☐ updates from the children's caregivers and our partnering pastors
- ☐ knowledge that you are making a REAL eternal difference in the life of a child

### YOUR COMMITMENT MATTERS

The monthly sponsorship pledges for Project Ten16 children of Malawi is \$15, and \$25 for children of the Philippines.

Because your pledged gift goes toward basic needs, families of sponsored children count on our commitment for at minimum, a 12 month time span. As an ongoing ministry of FGAI, administered through local FG ministers, you may be assured that 100% of your gift goes directly for the child in need.

### HEAR THE STORIES

LIMUEL, 11. Philippines

Limuel, youngest of 4 siblings, is being raised by his father who has no stable job and whose wife passed on due to sickness when Limuel was only 3 years old. Project Ten-16 enables him to go to school regularly, and to participate in all school activities. He is also faithfully attending Sunday School and worship at Taysan FG Church and is being a good testimony to his family.

TONNY TAMBALA, 17. Malawi

Tonny Tambala was only 11 years old when he began receiving help through Project Ten-16. He is an orphan who lives with a guardian. Tonny is able to continue to go to school & have a daily supply of food. After the recent cyclone that damaged their roof, FG had their roof replaced. Tonny prays "God keep blessing my sponsor for all the goodness she has done to my life."

## WHY TEN-16?

Scripture tells us in Mark 10:16 that little children were brought to Jesus and that He welcomed them, put His hands upon them and blessed them.

It is the vision of **Project Ten-16** to bless the children in the same way, to have them encounter Jesus and experience the love that is the hallmark of those who follow Him.

## BLESS A CHILD

## STRENGTHEN THE FAMILY

## NURTURE WITH THE LOVE OF CHRIST

## MAKE A DIFFERENCE

When you sponsor a child, you are also blessing their family and community. Our outreach programs reach the children's parents, siblings and neighborhood - your giving affects them all. Your gift significantly helps carry the burden placed on the child's caregivers, many of whom are unable to provide the child with the basic needs for optimal growth due to poverty and circumstance. By investing in a child's future, you are also increasing their chances of being able to give back to their community and raise their families out of the yoke of poverty.

---

## BASIC NEEDS

When you sponsor a child, you help provide basic educational needs and ensure that they will be able to go to school and receive the learning experience that is a basic need for all children.

---

## SPIRITUAL CARE

When you sponsor a child, you are supporting a ministry that brings the eternal treasure of the Gospel and love of Jesus to the little one.

---

## PRAYER

When you sponsor a child, you commit to keeping them in your prayers and thoughts, interceding for them and their family.

## BE THE DIFFERENCE

Through your monthly gift, you can help provide a child a stronger start, a brighter future and a more secure environment to grow up in. We work directly with the families and churches that care for the children, so we make sure that your gift goes directly to benefit the child in need. Our missions team and partner pastors visit the children's homes and schools in addition to ministering to them in church.

With your sponsorship, you are taking part in a ministry that is involved and invested in caring for these children and their communities.
